<p>What suggestions do you have?</p>	<p>1. Turn on big barn fans before horses are in on Tuesday. Allow owners in the barn 24/7 the week of fair. Tia Koehler judged one of the West 20 shows along with Waukesha County fair show and did a good job.  2. Have fans in barn turned on BEFORE horses get to the fair grounds. Add fun to the agenda The judge in 2007 was good. 4-H should not be so serious. Have a maximum capacity for the practice arenas  3. Make it more about 4-H, making friends, youth helping youth.  4. I suggest the older youth become more involved with the younger youth  5. For showmanship and riding classes, once kids are done with pattern or class leave area without a lineup and have next class enter for faster classes and have kids pickup ribbons later.  6. I suggest the older youth become more involved with the younger youth.  7. Move classes along. As your placing one class, have another one come in.  8. Speed classes on the weekend-more enjoyable for spectators.  9. Fun classes should be on the same day as speed seeing how we cant do them the same day as riding.  10. Riders be able to be ride both disciplines.  11. 15 min demo every meeting on something about showing-meeting door prizes.  12. Find different equine ambassador person since too many kids from one stable. Get kids to help out at fair and other shows instead of adults where needed.  13. Make the trail class easier (ex: the L was too small)  14. More jumping  15. Separate walk-trot classes by discipline.  16. Split walk-trot by discipline.  17. Split walk-trot by discipline.  18. Go to shows and see judges/talk to other exhibitors about the judges; seeing them in action. Clinic ideas: bring a vet in and have him/her explain some basic exams/what they do etc.  19. Move faster at fair  20. A rope trail gate  21. Different judge  22. Find a qualified pleasure judge!!!  23. Don't hire the Saturday judge again.  24. Get better judges  25. Get a good judge. Start meeting earlier  26. None  27. (No response)  28. (No response)  29. None  30. (No response)  31. None  32. (No response)  33. None  34. (No response)  35. (No response)</p>
